Guidelines for Standards Clubs

1. Introduction

- 1.1 Children are the future and form the foundation on which a strong, vibrant and dynamic nation is built. The values children are exposed to in their formative years get inculcated in their young minds and serve as a force multiplier that has the capacity to transform the future of a nation. Quality consciousness, based on standardization, is one of the pillars of accelerated economic development and priming students to appreciate the significance of quality, standards and standardization can serve as a catalyst to improve societal awareness on these subjects.
- 1.2 BIS has taken the initiative of creating Standards Clubs in educational institutions comprising teachers and students as members. Through a variety of activities under these Clubs, young talents get learning opportunities in the field of quality and standardization. Teachers have an important role in the activities of the Clubs and would serve as beacons of light, guiding and motivating students to channelize their creativity and enhance their scientific temperament. Though in its nascent stage, the Standards Clubs have already garnered prominence and are being enthusiastically promoted by educational institutions to supplement and improve the schooling experience of students and provide opportunities to better their professional and personal growth.

2. Scope

- 2.1 These guidelines apply to Standards Clubs formed in any educational institution in India comprising teachers and students.

Note 1 - High & Higher Secondary schools, engineering colleges, science colleges, polytechnics, professional institutions

Note 2 – Students would mean students of class IX and above and studying science subjects.

- 2.2 Consumer Organizations/Non-Government Organizations/Voluntary Organizations (COs/NGOs/VOs etc.) registered on the Consumer Engagement Portal of BIS can also facilitate the formation & functioning of above Standards Clubs in Educational Institutions other than Engineering Institutions. Such Organization would be required to follow these guidelines and would be entitled to get reimbursement of administrative expenses as per Clause 5.4 (d), (e) for facilitating activities of the Clubs as defined in Clause 4.4. Terms of engagement of COs/NGOs/VOs would be as given at Annex 1.

3. Creation of Standards Clubs

- 3.1 Standards Clubs shall comprise of the following:

- i) **Mentor** - One Science Teacher for Class IX to XII or Lecturer & above for Science or Engineering Subjects
- ii) **Student Members**– Regular Students of the Educational Institution studying in Class IX to XII, Science Stream or Students who are pursuing Science/Engineering degree or

diploma courses in Colleges or other Professional Institutions. A minimum of 15 Student Members shall be required to form a Standards Club.

- 3.2 The Mentor shall be nominated by the Principal or Head of the Institution for a period of two years and may be re-nominated further at the discretion of the Institution. The Student Members may be selected by the Mentor based on their aptitude and willingness and may be retained with the Club till their enrolment in the Educational Institution continues. The Educational Institution shall maintain the record of the Mentors and the Student Members of the Standards Club as prescribed in the Proforma (Annex 2 and 3).

3.3 Standards Club Core Group

The activities under each Standards Club should be coordinated by a Core Group comprising its Mentor and a Student Leader and three Student members. The Student Leader and three members for the core group will be nominated/updated by the Mentor. In case, the Club comprises more than 50 students the Core Group may have a maximum of six members in addition to the Mentor and the Student Leader.

4. Activities under the Standards Club

- 4.1 The Standards Club may carry out a variety of student-centric activities aimed at providing them opportunities for learning on the themes of Quality and Standardization. Such activities may be undertaken within the Institution or outside as stand-alone programmes or as part of other programmes of the Institutions such as Annual Day, School Fair, Exhibitions, Teachers' Day, etc.
- 4.2 The Mentors should organize regular and adequate number of meetings of the Standards Clubs for imparting knowledge to the Student Members about Standardization, Quality and the structure and content of standards.
- 4.3 Each Standards Club in Engineering Institutions should organize at least two or more programmes in an academic year, at least one each on the following two themes:
- i) Competition on writing Standards
 - ii) Workshops / Seminars on specific standards, workshops on areas for developing new standards, industry-oriented projects on standards, etc.
- 4.4 Each Standards Club in institutions other than Engineering Institutions should organize at least three programmes in an academic year on the following themes:
- i) Awareness Programmes - Seminars and Workshops on Quality and Standards related subjects and their role in the upliftment of quality of life and economic development.
 - ii) Competitions such as Quiz, Essay-writing, Debate etc. on Quality and Standards ecosystem
 - iii) Competition on writing Standards
- 4.5 The activities under the Standards Clubs may be facilitated by the COs/VOs/NGOs which are authorized to do so as per Clause 2.2 and the terms and conditions given under Annex 1.

5. BIS Support to Standards Clubs

- 5.1 **General Support** - Educational Institutions, after creating Standards Clubs, should share the details with the nearest BIS Branch Office (BO) in the prescribed Proforma (Annex 2 and 3),
