Sub- Testing Facility of Paper and Paper Products at MSME Testing Center, Ahmedabad, GoI.

Respected Sir / Madam,

Government of India, Ministry of MSME has setup MSME- Testing Centers and MSME- Testing Stations all over India for providing testing and calibration facilities conforming to national and international standards to the industries in general and Micro, Small & Medium Enterprises in particular for raw materials, semi furnished goods and furnished products manufactured by them.

In the same line MSME -Testing center, Ahmedabad has been established by Ministry of MSME, Government of India at MSME Tower, Sola-Science City Road, Ahmedabad in which the state-of-the art equipments are established with following testing facilities for "Testing of Paper and Paper Products" as per national and international standards.

- Grammage
- Bursting strength
- Thickness Size
- PH value
- Tensile strength (Machine Direction, Transverse Direction)
- Brightness
- Opacity and color
- Cobb test, Double fold strength (Machine Direction, Transverse Direction)
- Gloss
- Wax Pick
- Smoothness and Porosity
- Tear strength (Machine Direction, Transverse Direction)
- Moisture content
- Ash content and Stiffness test etc.

The competent personnel are engaged to carry out the above tests.

It is requested to utilize this facility for paper and paper Items being used in your esteemed Department.

For more details, kindly contact Mrs. Anamika Singh, Mo no-8160291418.
