Sub: Request for issuing a Circular for participation of students of Std IX to XII of the Gujarat Council of Educational Research and Training in the India's Biggest STEM Quiz: National STEM Quiz 4.0: "The Journey of a New Generation"

Respected Sir,

Greetings from Gujarat Council on Science and Technology (GUJCOST), Gandhinagar.

It is our privilege to share with you one of our most impactful flagship initiatives that is shaping the future of science learning in India. Since 2022, GUJCOST has been successfully organizing the *Gujarat STEM Quiz – The Journey of a New Generation*, designed to ignite curiosity, nurture scientific temperament, and celebrate excellence among secondary and higher secondary students. With an unprecedented prize fund of Rs.2.00 Crore, the first three editions have received nationwide appreciation.

The outreach and impact of this initiative have grown tremendously. Last year alone, we witnessed a record-breaking participation of 10,12,500 students from every state of the country, making it truly a Pan-India celebration of science, technology, engineering, and mathematics (STEM).

Building on this remarkable momentum, the Fourth Edition is being launched as the **National STEM Quiz 4.0** with two categories i.e. **Junior Category** – Class IX & X and **Senior Category** – Class XI & XII. The Quiz will unfold in three stages:

1. **Preliminary Round** – through a robust and inclusive virtual platform,
2. **Zonal Round**
3. **Grand Finale** – Live program at Gujarat Science City, Ahmedabad.

We are privileged to have the support of **BARC, DRDO, NFSU, and SAC-ISRO** as our knowledge partners, who allow for the visit of the meritorious students at the esteemed STEM institutions. There is no registration fee. The details of National STEM Quiz, including sample Quiz Bank and the online registration is available on www.stemquiz.gujarat.gov.in.

In view of the scale, reach, and potential of this national initiative, we earnestly seek the esteemed support of Gujarat Council of Educational Research and Training (GCERT) to help extend this platform to every school of the state. We take this opportunity to request your good office to issue a circular for larger participation of students of Std IX to XII across the state to register online at www.stemquiz.gujarat.gov.in before 30th October 2025.

We once again thank you, and look forward for your generous support and guidance in the above.

Thank you and with best regards,

Yours sincerely,

(Narottam Sahoo)

Encl. As above.

Dear Principal,

Gujarat Council on Science and Technology (GUJCOST), Dept. of Science & Technology, Govt. of Gujarat has launched National STEM Quiz 4.0: The Journey of a New Generation.

This is a unique platform to encourage quiz-based learning. This quiz will give the school students' knowledge and experience to become a more vigilant, scientifically aware and better citizen.

The Quiz will promote learning by quizzing methodology which will help students build a thought process and problem-solving skills.

The National STEM Quiz 4.0 is for school students studying in classes IX to XII across the country.

The registration process is in online mode through the website: <https://stemquiz.gujarat.gov.in/>

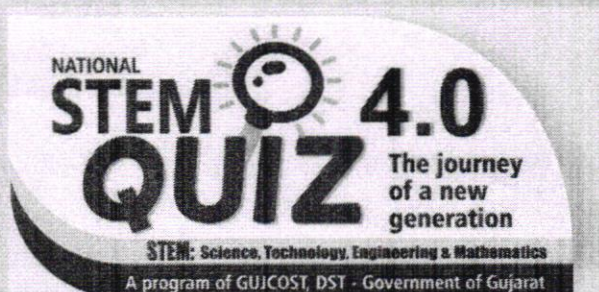

The first round of STEM Quiz will be held in online mode. The further details of the program will be communicated to all registered participants.

The final round of the National STEM Quiz 4.0 will be held at Gujarat Science City, Ahmedabad. The winner students will also get the opportunity to participate in the bootcamps at National Forensic Sciences University (NFSU), Gandhinagar as well as visit premier scientific institutes such as Science City, Indian Space Research Organisation (ISRO), Ahmedabad; Defence Research and Development Organisation (DRDO), Jodhpur and Bhabha Atomic Research Centre (BARC), Mumbai as part of this program.

The program will be viewed by the entire academic horizon of the nation which will give a broader outreach among the next generation learners. You are requested to disseminate the above information among students of your school and encourage them to participate in National STEM Quiz 4.0.

The participation in the Quiz is purely on voluntary basis. For more details regarding National STEM Quiz 4.0, please visit <https://stemquiz.gujarat.gov.in/> and queries may be sent at helpdesk.stemquiz@gmail.com

With Best Wishes,

Guidelines for Participants – National STEM Quiz 4.0

The **National STEM Quiz 4.0**, organized by Gujarat Council on Science and Technology (GUJCOST), aims to nurture scientific temperament and innovation among young minds. Participants are advised to note the following guidelines:

1. Eligibility

- Junior Level: For students of Classes **9 & 10**
- Senior Level: For students of Classes **11 & 12**
- Open to students from **all boards and mediums** across India.

2. Learning Resource

- A dedicated **Quiz Bank** of more than **6,000 questions** on Science, Technology, Engineering, and Mathematics (STEM) will be available to participants at both levels in the language of English and Gujarati.

3. Prizes & Opportunities

- Attractive prizes worth Rs. **2.00 Crores**, including **STEM scholarships**.
- Winners will get exclusive visits to premier institutions like:
- Bhabha Atomic Research Centre (BARC), Department of Atomic Energy, Govt. of India
- Defence Research & Development Organisation (DRDO)
- Space Applications Centre- Indian Space Research Organisation (SAC-ISRO), Ahmedabad
- STEM Boot Camp at National Forensic Sciences University (NFSU).

4. Collaborations

- The quiz is conducted in collaboration with CISCE, Tribal Development Department, and Commissionerate of Schools, Education Department, Government of Gujarat.
