The Department of Science & Technology, Government of Gujarat, is undertaking various initiatives to promote Artificial Intelligence (AI) awareness and foundational AI skills among students across the State. In this regard, the Department proposes to leverage the "Yuva AI for All" course developed under FutureSkills Prime/India.

It is proposed to make the said course available to students of **Standards 11 and 12** under the Gujarat Secondary and Higher Secondary Education Board, with the objective of providing foundational awareness and understanding of Artificial Intelligence. The course is proposed to be hosted on the **DIKSHA portal** and made available to Standards 11 and 12 students across Gujarat.

In this regard, Education department is requested to extend necessary support and coordination for facilitating the implementation of the initiative. It is requested that the "Yuva AI for All" course content in Gujarati, Hindi and English may kindly be hosted on the DIKSHA portal.

The initiative is envisaged to facilitate large-scale AI awareness and foundational AI skilling among Higher Secondary students across Gujarat and contribute towards preparing the youth of the State for an AI-enabled future.

For any assistance or further coordination in this regard, Mr. Bhavesh Prajapati, Assistant Director (IT), may be contacted at 94261 85873 / adict28-dit@gujarat.gov.in
